# SCHEDULE OF BENEFITS FOR CLASS 1

# **Eligibility Waiting Period**

For Employees hired on or before the Policy Effective Date:

After 60 days of Active Service

For Employees hired after the Policy Effective Date:

After 30 days of Active Service

Employees who are rehired within 31 days of their termination date will be given credit for any time already satisfied towards the Eligibility Waiting Period.

# **Definition of Disability/Disabled**

The Employee is considered Disabled if, solely because of Injury or Sickness, he or she is:

- 1. unable to perform the material duties of his or her Regular Occupation; and
- 2. unable to earn 80% or more of his or her Indexed Earnings from working in his or her Regular Occupation.

After Disability Benefits have been payable for 24 months, the Employee is considered Disabled if, solely due to Injury or Sickness, he or she is:

- 1. unable to perform the material duties of any occupation for which he or she is, or may reasonably become, qualified based on education, training or experience; and
- 2. unable to earn 60% or more of his or her Indexed Earnings.

The Insurance Company will require proof of earnings and continued Disability.

# **Definition of Covered Earnings for Pay for Treatment Employees**

Covered Earnings for Pay for Treatment Employees means 24 Treatments times the Treatment Rate times 47 weeks divided by 12 months.

Exceptions for the pay per treatment rates:

Base pay rate will be used to calculate Covered Earnings for acute facility and hospital employees who are paid on a per treatment basis.

# **Definition of Covered Earnings**

Covered Earnings means an Employee's wage or salary as reported by the Employer for work performed for the Employer as in effect just prior to the date Disability begins. It includes earnings received from commissions and bonuses, but not overtime pay or other extra compensation. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the date of the change, if the Employer gives us written notice of the change and the required premium is paid.

Commissions and bonuses will be averaged for the 12 months just prior to the date Disability begins, or the months employed, if less than 12 months.

Any increase in an Employee's Covered Earnings will not be effective during a period of continuous Disability.

# **Elimination Period**

Core Benefit: 180 days Optional Benefit: 180 days

**Gross Disability Benefit** 

Core Benefit: 50% Optional Benefit: 60%

The lesser of the percent of an Employee's monthly Covered Earnings listed above, rounded to the nearest dollar, or the Maximum Disability Benefit.

# **Maximum Disability Benefit**

Core Benefit: \$10,000 per month Optional Benefit: \$10,000 per month

**Minimum Disability Benefit** 

Core Benefit: \$50 per month Optional Benefit: \$50 per month

# **Disability Benefit Calculation**

The Disability Benefit payable to the Employee is figured using the Gross Disability Benefit, Other Income Benefits and the Return to Work Incentive. Monthly Benefits are based on a 30-day month. The Disability Benefit will be prorated if payable for any period less than a month.

During any month the Employee has no Disability Earnings, the monthly benefit payable is the Gross Disability Benefit less Other Income Benefits. During any month the Employee has Disability Earnings, benefits are determined under the Return to Work Incentive. Benefits will not be less than the minimum benefit shown in the Schedule of Benefits except as provided under the section Minimum Benefit.

"Other Income Benefits" means any benefits listed in the Other Income Benefits provision that an Employee receives on his or her own behalf or for dependents, or which the Employee's dependents receive because of the Employee's entitlement to Other Income Benefits.

# Return to Work Incentive

During any month the Employee has Disability Earnings, his or her benefits will be calculated as follows.

The Employee's monthly benefit payable will be calculated as follows during the first 24 months disability benefits are payable and the Employee has Disability Earnings:

- 1. Add the Employee's Gross Disability Benefit and Disability Earnings.
- 2. Compare the sum from 1. to the Employee's Indexed Earnings.
- 3. If the sum from 1. exceeds 100% of the Employee's Indexed Earnings, then subtract the Indexed Earnings from the sum in 1.
- 4. The Employee's Gross Disability Benefit will be reduced by the difference from 3., as well as by Other Income Benefits.
- 5. If the sum from 1. does not exceed 100% of the Employee's Indexed Earnings, the Employee's Gross Disability Benefit will be reduced by Other Income Benefits.

After disability benefits are payable for 24 months, the monthly benefit payable is the Gross Disability Benefit reduced by Other Income Benefits and 50% of Disability Earnings.

No Disability Benefits will be paid, and insurance will end if the Insurance Company determines the Employee is able to work under a modified work arrangement and he or she refuses to do so without Good Cause.

- 1. Add the Employee's Gross Disability Benefit and Disability Earnings.
- 2. Compare the sum from 1. to the Employee's Indexed Earnings.
- 3. If the sum from 1. exceeds 100% of the Employee's Indexed Earnings, then subtract the Indexed Earnings from the sum in 1.
- 4. The Employee's Gross Disability Benefit will be reduced by the difference from 3., as well as by Other Income Benefits.
- 5. If the sum from 1. does not exceed 100% of the Employee's Indexed Earnings, the Employee's Gross Disability Benefit will be reduced by Other Income Benefits.

After disability benefits are payable for 24 months, the monthly benefit payable is the Gross Disability Benefit reduced by Other Income Benefits and 50% of Disability Earnings.

No Disability Benefits will be paid, and insurance will end if the Insurance Company determines the Employee is able to work under a modified work arrangement and he or she refuses to do so without Good Cause.

# SCHEDULE OF BENEFITS FOR CLASS 6

# **Eligibility Waiting Period**

For Employees hired on or before the Policy Effective Date:

After 60 days of Active Service

For Employees hired after the Policy Effective Date:

After 30 days of Active Service

Employees who are rehired within 31 days of their termination date will be given credit for any time already satisfied towards the Eligibility Waiting Period.

# **Definition of Disability/Disabled**

The Employee is considered Disabled if, solely because of Injury or Sickness, he or she is:

- 1. unable to perform the material duties of his or her Regular Occupation; and
- 2. unable to earn 80% or more of his or her Indexed Earnings from working in his or her Regular Occupation.

After Disability Benefits have been payable for 24 months, the Employee is considered Disabled if, solely due to Injury or Sickness, he or she is:

- 1. unable to perform the material duties of any occupation for which he or she is, or may reasonably become, qualified based on education, training or experience; and
- 2. unable to earn 60% or more of his or her Indexed Earnings.

The Insurance Company will require proof of earnings and continued Disability.

# **Definition of Covered Earnings for Pay for Treatment Employees**

Covered Earnings for Pay for Treatment Employees means 24 Treatments times the Treatment Rate times 47 weeks divided by 12 months.

Exceptions for the pay per treatment rates:

Base pay rate will be used to calculate Covered Earnings for acute facility and hospital employees who are paid on a per treatment basis.

# **Definition of Covered Earnings**

Covered Earnings means an Employee's wage or salary as reported by the Employer for work performed for the Employer as in effect just prior to the date Disability begins. It includes earnings received from commissions and bonuses, but not overtime pay or other extra compensation. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the date of the change, if the Employer gives us written notice of the change and the required premium is paid.

Commissions and bonuses will be averaged for the 12 months just prior to the date Disability begins, or the months employed, if less than 12 months.

Any increase in an Employee's Covered Earnings will not be effective during a period of continuous Disability.

Elimination Period 180 days

**Gross Disability Benefit** The lesser of 60% of an Employee's monthly Covered Earnings

rounded to the nearest dollar or the Maximum Disability Benefit.

Maximum Disability Benefit \$10,000 per month

Minimum Disability Benefit \$50 per month

# **Disability Benefit Calculation**

The Disability Benefit payable to the Employee is figured using the Gross Disability Benefit, Other Income Benefits and the Return to Work Incentive. Monthly Benefits are based on a 30-day month. The Disability Benefit will be prorated if payable for any period less than a month.

During any month the Employee has no Disability Earnings, the monthly benefit payable is the Gross Disability Benefit less Other Income Benefits. During any month the Employee has Disability Earnings, benefits are determined under the Return to Work Incentive. Benefits will not be less than the minimum benefit shown in the Schedule of Benefits except as provided under the section Minimum Benefit.

"Other Income Benefits" means any benefits listed in the Other Income Benefits provision that an Employee receives on his or her own behalf or for dependents, or which the Employee's dependents receive because of the Employee's entitlement to Other Income Benefits.

Return to Work Incentive

During any month the Employee has Disability Earnings, his or her benefits will be calculated as follows.

The Employee's monthly benefit payable will be calculated as follows during the first 24 months disability benefits are payable and the Employee has Disability Earnings:

- 1. Add the Employee's Gross Disability Benefit and Disability Earnings.
- 2. Compare the sum from 1. to the Employee's Indexed Earnings.
- 3. If the sum from 1. exceeds 100% of the Employee's Indexed Earnings, then subtract the Indexed Earnings from the sum in 1.
- 4. The Employee's Gross Disability Benefit will be reduced by the difference from 3., as well as by Other Income Benefits.
- 5. If the sum from 1. does not exceed 100% of the Employee's Indexed Earnings, the Employee's Gross Disability Benefit will be reduced by Other Income Benefits.

After disability benefits are payable for 24 months, the monthly benefit payable is the Gross Disability Benefit reduced by Other Income Benefits and 50% of Disability Earnings.

No Disability Benefits will be paid, and insurance will end if the Insurance Company determines the Employee is able to work under a modified work arrangement and he or she refuses to do so without Good Cause.

#### **ELIGIBILITY FOR INSURANCE**

An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date, or the day after he or she completes the Eligibility Waiting Period, if later. The Eligibility Waiting Period is the period of time the Employee must be in Active Service to be eligible for coverage. It will be extended by the number of days the Employee is not in Active Service.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, a new Eligibility Waiting Period must be satisfied. An Employee is not required to satisfy a new Eligibility Waiting Period if a former Employee is rehired within five years, or if insurance ends because he or she is no longer in a Class of Eligible Employees but continues to be employed by the Employer, and within 31 days becomes a member of an eligible class.

TL-004710

#### EFFECTIVE DATE OF INSURANCE

An Employee will be insured on the date he or she becomes eligible, if the Employee is not required to contribute to the cost of this insurance.

An Employee who is required to contribute to the cost of this insurance may elect to be insured only by authorizing payroll deduction in a form approved by the Employer and the Insurance Company. The effective date of this insurance depends on the date coverage is elected.

Insurance for an Employee who applies for insurance within 31 days after he or she becomes eligible is effective on the latest of the following dates.

- 1. The Policy Effective Date.
- 2. The date payroll deduction is authorized.
- 3. The date the Insurance Company receives the Employee's completed enrollment form.

If an Employee's enrollment form is received more than 31 days after he or she is eligible for this insurance, the Insurability Requirement must be satisfied before this insurance is effective. If approved, this insurance is effective on the date the Insurance Company agrees in writing to insure the Employee.

If an Employee is not in Active Service on the date insurance would otherwise be effective, it will be effective on the date he or she returns to any occupation for the Employer on a Full-time basis.

TL-004712

# TERMINATION OF INSURANCE

An Employee's coverage will end on the earliest of the following dates:

- 1. the date the Employee is eligible for coverage under a plan intended to replace this coverage;
- 2. the date the Policy is terminated:
- 3. the date the Employee is no longer in an eligible class;
- 4. the day after the end of the period for which premiums are paid;
- 5. the date the Employee is no longer in Active Service;
- 6. the date benefits end for failure to comply with the terms and conditions of the Policy.

Disability Benefits will be payable to an Employee who is entitled to receive Disability Benefits when the Policy terminates, if he or she remains disabled and meets the requirements of the Policy. Any period of Disability, regardless of cause, that begins when the Employee is eligible under another group disability coverage provided by any employer, will not be covered.

TL-007505.00

# CONTINUATION OF INSURANCE

This Continuation of Insurance provision modifies the Termination of Insurance provision to allow insurance to continue under certain circumstances if the Insured Employee is no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the Termination of Insurance provisions.

Disability Insurance continues if an Employee's Active Service ends due to a Disability for which benefits under the Policy are or may become payable. Premiums for the Employee will be waived while Disability Benefits are payable. If the Employee does not return to Active Service, this insurance ends when the Disability ends or when benefits are no longer payable, whichever occurs first.

If an Employee's Active Service ends due to personal or family medical leave approved timely by the Employer, insurance will continue for an Employee for up to 6 months, if the required premium is paid when due.

If an Employee's Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date the Employee ceases work, insurance will continue for an Employee for up to 3 months if the required premium is paid. An approved leave of absence does not include layoff or termination of employment.

If an Employee's Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, insurance for an Employee will continue until the earlier of:

- a. the date the Employee's employment relationship with the Employer terminates;
- b. the date premiums are not paid when due;
- c. the end of the 30 day period that begins with the first day of such excused absence;
- d. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if an Employee's Active Service ends due to layoff, termination of employment, or any other termination of the employment relationship, insurance will terminate and Continuation of Insurance under this provision will not apply.

If an Employee's insurance is continued pursuant to this Continuation of Insurance provision, and he or she becomes Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date he or she is scheduled to return to Active Service.

#### Continuation of Insurance after leaving the group

If an Employee leaves the group covered under the Policy, insurance for such Employee will be continued until the earliest of the following dates:

- 1. 31 days from the date the Employee leaves the group;
- 2. The date the Employee becomes eligible for similar benefits.

# Continuation of Insurance due to a Plant Closing or Partial Closing

If an Employee leaves the group due to termination of employment resulting from a Plant Closing or Partial Closing, insurance for such Employee will be continued until the earliest of the following dates:

- 1. 90 days from the date of the Plant Closing or Partial Closing;
- 2. The date the Employee becomes eligible for similar benefits.

**Definitions:** For purposes of this provision:

**Plant Closing** means a permanent cessation or reduction of business at a facility which results or will result as determined by the director in the permanent separation of at least 90% of the employees of said facility within a period of six months prior to the date of certification or with such other period as the director shall prescribe, provided that such period shall fall within the six month period prior to the date of certification.

**Partial Closing** means a permanent cessation of a major discrete portion of the business conducted at a facility which results in the termination of a significant number of the employees of said facility and which affects workers and communities in a manner similar to that of Plant Closings.

If an Employee's insurance is continued pursuant to this Continuation of Insurance provision, and he or she becomes Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date he or she is scheduled to return to Active Service.

#### **TAKEOVER PROVISION**

This provision applies only to Employees eligible under this Policy who were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

- A. This section A applies to Employees who are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, the Insurance Company will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) the employee returns to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day the employee was not in Active Service. The Policy will provide this coverage as follows:
  - 1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
  - 2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods and partial satisfaction of pre-existing condition limitations.
- B. The Elimination Period under this Policy will be waived for a Disability which begins while the Employee is insured under this Policy if all of the following conditions are met:
  - 1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
  - 2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
  - 3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
  - 4. The Disability begins within 6 months of the Employee's return to Active Service and the Employee's insurance under this Policy is continuous from this Policy's Effective Date.

C. Except for any amount of benefit in excess of a Prior Plan's benefits, the Pre-existing Condition Limitation will not apply to an Employee covered under a Prior Plan who satisfied the pre-existing condition limitation, if any, under that plan. If an Employee, covered under a Prior Plan, did not fully satisfy the pre-existing condition limitation of that plan, credit will be given for any time that was satisfied under the Prior Plan's pre-existing condition limitation.

Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

TL-005108

#### **DESCRIPTION OF BENEFITS**

The following provisions explain the benefits available under the Policy. Please see the Schedule of Benefits for the applicability of these benefits to each class of Insureds.

# **Disability Benefits**

The Insurance Company will pay Disability Benefits if an Employee becomes Disabled while covered under this Policy. The Employee must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Policy. He or she must provide the Insurance Company, at his or her own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

The Insurance Company will require continued proof of the Employee's Disability for benefits to continue.

#### **Elimination Period**

The Elimination Period is the period of time an Employee must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

# **Disability Benefit Calculation**

The Disability Benefit Calculation is shown in the Schedule of Benefits. Monthly Disability Benefits are based on a 30 day period. They will be prorated if payable for any period less than a month. If an Employee is working while Disabled, the Disability Benefit Calculation will be the Return to Work Incentive.

# **Return to Work Incentive**

The Return to Work Incentive is shown in the Schedule of Benefits. An Employee may work for wage or profit while Disabled. In any month in which the Employee works and a Disability Benefit is payable, the Return to Work Incentive applies.

The Insurance Company will, from time to time, review the Employee's status and will require satisfactory proof of earnings and continued Disability.

#### **Minimum Benefit**

The Insurance Company will pay the Minimum Benefit shown in the Schedule of Benefits despite any reductions made for Other Income Benefits. The Minimum Benefit will not apply if benefits are being withheld to recover an overpayment of benefits.

#### **Other Income Benefits**

An Employee for whom Disability Benefits are payable under this Policy may be eligible for benefits from Other Income Benefits. If so, the Insurance Company may reduce the Disability Benefits by the amount of such Other Income Benefits.

# Other Income Benefits include:

- 1.1. any amounts received (or assumed to be received\*) by the Employee or his or her dependents under:
  - the Canada and Ouebec Pension Plans;
  - the Railroad Retirement Act;
  - any local, state, provincial or federal government disability, paid leave or retirement plan or law provided as a result of employment with the Employer, which are payable for an absence from work for which Disability Benefits are payable under this Policy;
  - any sick leave or salary continuation plan of the Employer;
  - any work loss provision in mandatory "No-Fault" auto insurance.
- 1.2. any Social Security disability benefits the Employee or any third party receives (or is assumed to receive\*) on his or her own behalf or for his or her dependents; or which his or her dependents receive (or are assumed to receive\*) because of his or her entitlement to such benefits.
- 1.3. any proceeds payable under any franchise or group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, the Insurance Company will pay for its pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
- 1.4. any amounts received (or assumed to be received\*) by the Employee or his or her dependents under any workers' compensation, occupational disease, unemployment compensation law or similar state or federal law payable for Injury or Sickness arising out of work with the Employer, including all permanent and temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
- 1.5. any amounts paid because of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.

Dependents include any person who receives (or is assumed to receive\*) benefits under any applicable law because of an Employee's entitlement to benefits.

\*See the Assumed Receipt of Benefits provision.

#### Increases in Other Income Benefits

Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating the Employee's Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

# Lump Sum Payments

Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

# Assumed Receipt of Benefits

The Insurance Company will assume the Employee (and his or her dependents, if applicable) are receiving benefits for which they are eligible from Other Income Benefits. The Insurance Company will reduce the Employee's Disability Benefits by the amount from Other Income Benefits it estimates are payable to the Employee and his or her dependents.

The Insurance Company will waive Assumed Receipt of Benefits, except for Disability Earnings for work the Employee performs while Disability Benefits are payable, if the Employee:

- 1. provides satisfactory proof of application for Other Income Benefits;
- 2. signs a Reimbursement Agreement;
- 3. provides satisfactory proof that all appeals for Other Income Benefits have been made unless the Insurance Company determines that further appeals are not likely to succeed; and
- 4. submits satisfactory proof that Other Income Benefits were denied.

The Insurance Company will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until the Employee actually receives them.

# Social Security Assistance

The Insurance Company may help the Employee in applying for Social Security Disability Income (SSDI) Benefits, and may require the Employee to file an appeal if it believes a reversal of a prior decision is possible.

The Insurance Company will reduce Disability Benefits by the amount it estimates the Employee will receive, if the Employee refuses to cooperate with or participate in the Social Security Assistance Program.

# **Recovery of Overpayment**

The Insurance Company has the right to recover any benefits it has overpaid. The Insurance Company may use any or all of the following to recover an overpayment:

- 1. request a lump sum payment of the overpaid amount;
- 2. reduce any amounts payable under this Policy; and/or
- 3. take any appropriate collection activity available to it.

The Minimum Benefit amount will not apply when Disability Benefits are reduced in order to recover any overpayment.

If an overpayment is due when the Employee dies, any benefits payable under the Policy will be reduced to recover the overpayment.

# **Successive Periods of Disability**

A separate period of Disability will be considered continuous:

- 1. if it results from the same or related causes as a prior Disability for which benefits were payable;
- 2. if, after receiving Disability Benefits, the Employee returns to work in his or her Regular Occupation for less than 6 consecutive months; and
- 3. if the Employee earns less than the percentage of Indexed Earnings that would still qualify him or her to meet the definition of Disability/Disabled during at least one month.

Any later period of Disability, regardless of cause, that begins when the Employee is eligible for coverage under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, the Employee must satisfy a new Elimination Period.

#### **LIMITATIONS**

#### **Limited Benefit Periods for Mental or Nervous Disorders**

The Insurance Company will pay Disability Benefits on a limited basis during an Employee's lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 12 monthly Disability Benefits have been paid, no further benefits will be payable for any of the following conditions.

- a) Anxiety disorders
- b) Delusional (paranoid) disorders
- c) Depressive disorders
- d) Eating disorders
- e) Mental illness

# Limited Benefit Periods for Alcoholism and Drug Addiction or Abuse

The Insurance Company will pay Disability Benefits on a limited basis during an Employee's lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. # **Pre-Existing Condition Limitation**

The Insurance Company will not pay benefits for any period of Disability caused or contributed to by, or resulting from, a Pre-existing Condition. A "Pre-existing Condition" means any Injury or Sickness for which the Employee incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before his or her most recent effective date of insurance.

The Pre-existing Condition Limitation will apply to any added benefits or increases in benefits. This limitation will not apply to a period of Disability that begins after an Employee is covered for at least 12 months after his or her most recent effective date of insurance, or the effective date of any added or increased benefits.

#### ADDITIONAL BENEFITS

# Rehabilitation During a Period of Disability

If the Insurance Company determines that a Disabled Employee is a suitable candidate for rehabilitation, the Insurance Company may require the Employee to participate in a Rehabilitation Plan and assessment at our expense. The Insurance Company has the sole discretion to approve the Employee's participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. The Insurance Company will work with the Employee, the Employer and the Employee's Physician and others, as appropriate, to perform the assessment, develop a Rehabilitation Plan, and discuss return to work opportunities.

The Rehabilitation Plan may, at the Insurance Company's discretion, allow for payment of the Employee's medical expense, education expense, moving expense, accommodation expense or family care expense while he or she participates in the program.

If an Employee fails to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, no Disability Benefits will be paid, and insurance will end.

TL-007501.00

The Employee must have been continuously Disabled for the Survivor Benefit Waiting Period before the first benefit is payable. These benefits will be payable for the Maximum Benefit Period for Survivor Benefits.

Benefits will be paid to the Employee's Spouse. If there is no Spouse, benefits will be paid in equal shares to the Employee's surviving Children. If there are no Spouse and no Children, benefits will be paid to the Employee's estate.

"Spouse" means an Employee's lawful spouse. "Children" means an Employee's unmarried children under age 21 who are chiefly dependent upon the Employee for support and maintenance. The term includes a stepchild living with the Employee at the time of his or her death.

- 2. the date the Insurance Company determines he or she is not Disabled;
- 3. the end of the Maximum Benefit Period:

#### **CLAIM PROVISIONS**

#### **Notice of Claim**

Written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's Name, the Policy Number and the claimant's name and address.

#### **Claim Forms**

When the Insurance Company receives notice of claim, the Insurance Company will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by the Insurance Company, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, of the nature and extent of the loss.

#### **Claimant Cooperation Provision**

Failure of a claimant to cooperate with the Insurance Company in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

# **Insurance Data**

The Employer is required to cooperate with the Insurance Company in the review of claims and applications for coverage. Any information the Insurance Company provides in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

# **Proof of Loss**

Written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

Written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, that the loss continues must be furnished to the Insurance Company at intervals required by us. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to the Insurance Company.

# **Time of Payment**

Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which the Insurance Company is liable, will be paid at that time.

# To Whom Payable

Disability Benefits will be paid to the Employee. If any person to whom benefits are payable is a minor or, in the opinion of the Insurance Company, is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, the Insurance Company may, at its option, make payment to the person or institution appearing to have assumed custody and support.

If an Employee dies while any Disability Benefits remain unpaid, the Insurance Company may, at its option, make direct payment to any of the following living relatives of the Employee: spouse, mother, father, children, brothers or sisters; or to the executors or administrators of the Employee's estate. The Insurance Company may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release the Insurance Company from all liability for any payment made.

# **Physical Examination and Autopsy**

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

# **Changes in Premium Rates**

The premium rates may be changed by the Insurance Company from time to time with at least 31 days advance written notice. No change in rates will be made until 24 months after the Policy Re-Issue Date. An increase in rates will not be made more often than once in a 12 month period. However, the Insurance Company reserves the right to change the rates even during a period for which the rate is guarantee, if any of the following events take place.

- 1. The Policy terms change.
- 2. A division, subsidiary, eligible company, or class is added or deleted.
- 3. There is a change of more than 15% in the number of Insureds.
- 4. Federal or state laws or regulation affecting benefit obligations change.
- 5. Other changes occur in the nature of the risk that would affect the Insurance Company's original risk assessment.
- 6. The Insurance Company determines the Employer fails to furnish necessary information.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

# **Reporting Requirements**

The Employer must, upon request, give the Insurance Company any information required to determine who is insured, the amount of insurance in force and any other information needed to administer the plan of insurance.

#### **Payment of Premium**

The first premium is due on the Policy Effective Date. After that, premiums will be due monthly unless the Employer and the Insurance Company agree on some other method of premium payment.

If any premium is not paid when due, the plan will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

# **Notice Of Cancellation**

The Employer or the Insurance Company may cancel the policy as of any Premium Due Date by giving 31 days advance written notice. If a premium is not paid when due, the Policy will automatically be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

# **Policy Grace Period**

A Policy Grace Period of 31 days will be granted for the payment of the required premiums under this Policy. This Policy will be in force during the Policy Grace Period. The Employer is liable to the Insurance Company for any unpaid premium for the time this Policy was in force.

# **Grace Period for the Insured**

If the required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

#### **Reinstatement of Insurance**

An Employee's insurance may be reinstated if it ends because the Employee is on an unpaid leave of absence.

An Employee's insurance may be reinstated only if reinstatement occurs within 31 days from the date insurance ends due to an Employer approved unpaid leave of absence or must be returning from military service pursuant to the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA). For insurance to be reinstated the following conditions must be met.

- 1. An Employee must be in a Class of Eligible Employees.
- 2. The required premium must be paid.
- 3. A written request for reinstatement must be received by the Insurance Company within 31 days from the date an Employee returns to Active Service.

Reinstated insurance will be effective on the date the Employee returns to Active Service. If an Employee did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence, credit will be given for any time that was satisfied.

# **Incontestability**

The Policy shall be incontestable after two years from its date of issue, except for non-payment of premiums. The insurance of an Employee shall be incontestable after it has been in force for a period of two years during his or her lifetime. The Insurance Company may not use any statements made by the Employer or an Employee to contest the Policy or an Employee's insurance, unless they are in a written application. Except in case of fraud, such statements are representations and not warranties.

## **Misstatement of Age**

If an Employee's age has been misstated, the Insurance Company will adjust all benefits to the amounts that would have been purchased for the correct age.

# **Assignment of Benefits**

The Insurance Company will not be affected by the assignment of an Employee's certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. The Insurance Company will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided coverage under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

#### **Clerical Error**

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

# Agency

4. The *Income Benefits* provision is replaced as follows:

# **Other Income Benefits**

An Employee for whom Disability Benefits are payable under this Policy may be eligible for benefits from Other Income Benefits. If so, the Insurance Company may reduce the Disability Benefits by the amount of such Other Income Benefits.

Direct Sources of Other Income Benefits:

- 1. any amounts received (or assumed to be received\*) by the Employee under:
  - the Canada and Quebec Pension Plans;
  - any local, state provincial or federal government disability or retirement plan or law, excluding Employment Insurance Benefits, payable for Injury or Sickness provided as a result of employment with the Employer;

# Indirect Sources of Other Income Benefits:

- 1. any sick leave or salary continuation plan of the Employer;
- 2. any work loss provision in mandatory "No-Fault" auto insurance that does not take Employment Insurance (EI) benefits payable into account when paying benefits.
- 3. any Retirement Plan benefits funded by the Employer. "Retirement Plan" means any defined benefit or defined contribution plan sponsored or funded by the Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any employee savings plan including a Registered Retirement Savings Plan (RRSP), Registered Retirement Income Fund (RRIF), stock option, stock bonus plan, or other individual retirement account.
- 4. any proceeds payable under any franchise or group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, the Insurance Company will pay for its pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
- 5. any amounts paid because of past or future loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.

<sup>\*</sup>See the Assumed Receipt of Benefits provision.

# Increases in Other Income Benefits

Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating the Employee's Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

# Lump Sum Payments

Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

# Assumed Receipt of Benefits

The Insurance Company will assume the Employee is receiving benefits for which they are eligible from Other Income Benefits. The Insurance Company will reduce the Employee's Disability Benefits by the amount from Other Income Benefits it estimates are payable to the Employee.

The Insurance Company will waive Assumed Receipt of Benefits, except for Disability Earnings for work the Employee performs while Disability Benefits are payable, if the Employee:

- 1. provides satisfactory proof of application for Other Income Benefits;
- 2. signs a Reimbursement Agreement;
- 3. provides satisfactory proof that all appeals for Other Income Benefits have been made unless the Insurance Company determines that further appeals are not likely to succeed; and
- 4. submits satisfactory proof that Other Income Benefits were denied.

The Insurance Company will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until the Employee actually receives them.

# Canadian Pension Plan Assistance

The Insurance Company may help the Employee in applying for Canadian Pension Plan Benefits and may require the Employee to file an appeal if it believes a reversal of a prior decision is possible.

The Insurance Company will reduce Disability Benefits by amounts it estimates the Employee will receive, if the Employee refuses to cooperate with or participate in the Canadian Pension Plan Assistance Program.

- 5. The Exclusion for "commission of a felony" is replaced by the following:
  - committing and being charged with an indictable offence.
- 6. The definition of *Good Cause* in the Definitions section is removed:

# **Good Cause**

A medical reason preventing participation in the Rehabilitation Plan. Satisfactory proof of Good Cause must be provided to the Insurance Company.
